I can tell about one event that starts at the end of a winter. ~~and~~ Maslennitsa is the celebration of the end of a winter. † While this event is going everyone is eating a lot of pancakes. This event took place in Moscow and it's started at the last week of winter to the very end. Everyone can join this event and take a part on its celebration. Every time it ends the same way that it ended in the last time - big doll, called Maslennitsa ~~is~~ being burnt and everyone is happy when this event ends
