Hello, I want to tell you about photo I made ~~white~~ when I was ^{wandering} ~~walking~~ near my favourite lake. On photo, you could see breath taking view, showing us the lake itself, distant park with trees and clear sky, that came up with bright sun. This photo was ~~took~~ in the middle of summer, showing us best time of most warm season. The lake, where I took photo, especially beautiful at this summer. It is so special because this view giving me feel of ~~happines~~ nostalgic when I was more younger. And that cause feeling myself happy I hope. When this photo will be published for some article in future, you will feel same feelings as I got when was looking first time at photo. ~~th~~ Now, I think you understood my feelings about my bright moments in my life.
