Our forest journey +

This is the most special photo for me and my friends. +

We always visiting unusual places with my friends and this time we were in the most dangerous forest

where +

in our city. ~~On this photo there~~ There are Mike, Steve, George, me and the wandering deer that is standing right behind us on this photo. First time when we saw this photo, we thought that this animal was some kind of wolf.

+

And because this photo was taken at night, we thought that we were in the dangerous situation. But it was very breathtaking when we saw antlers and came up with idea that it was just a regular deer.

when +

++

This photo is very special for us, because we were scared when we saw it for the first time, but when we have got a closer look we laughed a lot.
