WRITING

The silliest image of all time! +

One day, when I was wandering around the Internet, I suddenly found a very interesting photo which made me burst into laughter. The image was so „Breath taking” that I had to make it my profile picture. It's a photo of an old man in a grey suit with a banana in his hand. He is standing in a cool position. He looks very angry. He holds a banana like a gun and is waiting for someone behind the wall, like a hitman. I wonder who came up with the idea of this image. It was taken possibly in a studio, as this image is from a website called „Shutterstock”. I have never seen such a silly and funny image on the Internet before. That's why it holds a special place in my heart. To sum up, I would advise everyone to search that image up. Trust me, it's worth it.
